Hi Kara – Due to the ongoing government shutdown, no EPA employees will be able to attend the VB/I-70 CAG. At this time, EPA staff are not allowed to perform any work on this site.

Thanks,
Steve

Hello Jennifer and Steve,

Given the furlough, will either of you be attending the CAG meeting on 1/15? My understanding is that CDOT will be presenting and discussing the sanitary sewer alignment through OU2 as part of the I-70 project. Jesse is aware of this project though we're still waiting for CDOT/Kiewit to submit the work plan, SAP, and MMP to CCD/EPA/CDPHE for review.

Thanks
